One-on-One Print Review Program
Registration Form

Yes, I want to "give the print review a try" and schedule a one-on-one print review appointment with Alain. I understand that I am free to stop the review at any time during our phone conversation, and get all my money back, should I decide the one-on-one print review is not working for me. I also understand I will get answers to any and all questions regarding my work during my one-hour appointment.
